Dear Dr. [Redacted]

STAT

We received a lot of applications for our History Staff position, and I have to report that your qualifications do not match our needs as closely as do those of some of our other candidates.

I'm grateful for your interest, and sorry that we cannot consider you further for this position.

I appreciate your note of 23 October letting me know that you have been interviewed at CIA, and have submitted material to [Redacted]. In light of the quality of the material you submitted I am glad to forward your file and recommend that you be considered for other CIA positions.
